Good afternoon,

Just a heads up regarding an item that was posted on social media accounts by local leaders in Silverton and San Juan County. The Silverton Chamber of Commerce named the JIC's incident Twitter account (@GKMRelease) in their post, so followers of the JIC account will see their post as well.

The post links to a Resolution signed by town and county officials this morning to request emergency disaster funding. I am attaching the resolution as well as text from a press release that they issued at the same time.
